

**BOARD OF DIRECTORS
SAN BENITO COUNTY WATER DISTRICT
Agenda For
May 27, 2026
Regular Meeting – 5:00 p.m.
30 Mansfield Road – Hollister, California 95023**

Assistance for those with disabilities:

If you have a disability and need accommodation to participate in the meeting, please call Barbara Mauro, Board Clerk, at (831) 637-8218, 48 hours prior to meeting for assistance so the necessary arrangements can be made.

Effective at the April 27, 2022, The Board of Directors is now allowing the public to attend in person at all meetings of the San Benito County Water District Board. We will also continue to offer the meeting via Zoom as well. Regarding virtual participation, members of the public are instructed to be on mute during the proceedings and to speak only when public comment is allowed, after requesting and receiving recognition from the Board President.

Adjournment - Unless there is a special meeting prior to that time, the next regular meeting of the Board will be Wednesday, June 24, 2026. Meetings are held at the District office, 30 Mansfield Road, Hollister, California. **LAST DAY TO FILE CLAIMS** against the District is the second Friday of each month, except in November and December. Usually meeting dates change in those months because of holidays. The Board may hold a closed session to discuss personnel matters, litigation or employee negotiations as authorized by the Ralph M. Brown Act, Evidence Code #950-962 or other appropriate State law.

All public records relating to an agenda item on this agenda are available for public inspection at the time the record is distributed to all, or a majority of all, members of the Board. Such records shall be available at the District office located at 30 Mansfield Road, Hollister, California.

Agenda

Item

1

April 22, 2026
Regular Meeting
5:01 p.m.

The Board of Directors of the San Benito County Water District convened in regular session on Wednesday, April 22, 2026, at 5:01 p.m. at the San Benito County Water District office at 30 Mansfield Road, Hollister, California. Members present were: President Mark Wright, Vice President Joe Tonascia and Director John Freeman; Directors Sonny Flores and Doug Williams were absent. Also present were General Manager Dana Jacobson, District Counsel Jeremy T. Liem, Assistant General Manager Brett Miller, Senior Engineer David Macdonald, Water Conservation Program Manager Lundi Barroso-Osorio, Human Resources Analyst Cindy Tyler, Office Specialist II Shannon Darnall and Executive Assistant/Board Clerk Barbara Mauro. Jeff Cattaneo also participated.

CALL TO ORDER

President Wright called the meeting to order at 5:01 p.m.

- a. **Pledge of Allegiance to the Flag**
President Wright led the Pledge of Allegiance.
- b. **Roll Call**
Mrs. Mauro called roll. Members present at the meeting were: President Wright, Vice President Tonascia and Director Freeman; Directors Flores and Williams were absent.
- c. **Speakers will be limited to 5 minutes to address the Board; rebuttal will be limited to 3 minutes; no new business agenda items will be heard after 8:00 p.m.**
- d. **Approval of Agenda**
Before considering approval of the agenda, Mrs. Mauro pointed out the resolution numbers were incorrect on agenda items #5 and #8, from the board packets. Agenda #5, Affirming the District's Investment Policy should be #2026-10 and Agenda #8, Proclaiming May as Water Awareness Month should be #2026-11. She added, that was the only change. Noting that change, a motion was made by Director Freeman and seconded by Vice President Tonascia, the Agenda was approved by 3 affirmative votes, Wright, Tonascia and Freeman and there were 2 absences, Flores and Williams.
- e. **Public Input: Members of the Public are Invited to Speak on any Matter not on the Agenda**
Mr. Liem stated he had lunch with Dave Pipal; he said say to hello to everyone.

CONSENT AGENDA:

1. **Approval of Minutes for: March 25, 2026 Regular Meeting**
 2. **Allowance of Claims**
 3. **Acknowledgement of Paid Claims prior to the April Board Meeting**
 4. **On Call Contracts – Status Updates**
 5. **Consider Resolution Affirming the District's Investment Policy**
- With no questions from the Board or the public, a motion was made by Director Freeman and seconded by Vice President Tonascia; the Board approved the Consent Agenda with 3

affirmative votes, Wright, Tonascia and Freeman and there were 2 absences, Flores and Williams.

REGULAR AGENDA

6. **Public Hearing to receive stakeholder input on fee structure for the Groundwater Management Fee that was adopted for Fiscal Years 2021-2026 pursuant to Resolution #2021-13**
 - a. **Presentation on the Sustainable Groundwater Management Act (SGMA) Groundwater Management Fee**

Using a PowerPoint presentation, Mr. Miller gave the Board a presentation on the SGMA Groundwater Management Fee. Staff recommended the retention of the parcel-based fee as an interim solution and a further evaluation of the OpenET in the future. There will be a second public hearing at the May meeting to consider approval of the actual fee.
 - b. **Questions of Directors**

There were no questions from the Directors.
 - c. **Open Public Hearing**

President Wright opened the Public Hearing. There were no comments from the public, either in person or on Zoom.
 - d. **Close Public Hearing**

President Wright, then Closed the Public Hearing.
 - e. **Discussion of Public Comments by Directors**

As there were no public comments, no discussion ensued.

7. **Public Hearing to Acknowledge Annual Vacancy, Recruitment & Retention Report (Government Code §3502.3)**
 - a. **Presentation for the Public Hearing on the Annual Vacancy, Recruitment & Retention Report (Government Code §3502.3)**

Mr. Miller presented this item to the Board, based on AB 2561, which makes this a new obligation. He reported all positions were filled except for the District Engineer, which the District continues to actively recruit for.
 - b. **Questions of Directors**

Director Freeman expressed concern about the inability for the District to fill the engineer position.
 - c. **Open Public Hearing**

President Wright opened the Public Hearing. There were no comments from the public, either in person or on Zoom.
 - d. **Close Public Hearing**

President Wright, then Closed the Public Hearing.

- e. **Board Acknowledgement of Receipt of Annual Vacancy, Recruitment & Retention Report (Government Code §3502.3)**
 With a motion by Director Freeman and a second by Vice President Tonascia, the Board acknowledged the receipt of the Annual Vacancy, Recruitment & Retention Report (G.C. §3502.3) with 3 affirmative votes, Wright, Tonascia and Freeman and there were 2 absences, Flores and Williams.
8. **Consider Resolution Proclaiming May as Water Awareness Month**
 Mrs. Osorio made a presentation, using PowerPoint, for Water Awareness Month. She highlighted the conservation programs and rebates that are offered to San Benito County residents.
- With a motion by Director Freeman and a second by Vice President Tonascia, the Board approved Resolution #2026-11, *A Resolution of the Board of Directors of the San Benito County Water District Proclaiming May as Water Awareness Month*, with 3 affirmative votes, Wright, Tonascia and Freeman and there were 2 absences, Flores and Williams.
9. **Consider Appeal by Legacy Homes Seeking Exemption from Capacity Fees (District Code of Regulations section 4.53.120)**
- a. **Presentation by Brett Miller**
 Mr. Miller reviewed this item for the Board. The District received a letter from Legacy Homes asking the District to consider their appeal to be relieved of the capacity fees for the remaining 37 lots. Mr. Miller read their appeal requests into the record. Staff is recommending denying their appeal, which would be approximately \$456,000 in lost revenue. Jake Matthews, representing Legacy Homes, was on Zoom, if there were any questions.
 - b. **Consider Approval or Denial of the Appeal pursuant to District Code of Regulations section 4.53.120**
 With a motion by Director Freeman and a second by Vice President Tonascia, the Board Denied the Appeal by Legacy Homes Seeking Exemption from Capacity Fees (District Code of Regulations section 4.53.120), with 3 affirmative votes, Wright, Tonascia and Freeman and there were 2 absences, Flores and Williams.
10. **Consider Increasing Contingent Funding for a Contract Issued to Specialty Construction, Inc. in the Amount of \$1,043,281.05, for the Accelerated Drought Response Project (ADRoP) ASR Well Sites and Pipeline Project Construction and Authorize the General Manager to execute all necessary documents**
 Mr. Cattaneo reviewed this item for the Board. He stated there is a need to increase the contingency funding for Specialty Construction, Inc. for the ADRoP Well Sites and Pipeline Project due to cost overruns due to utility conflicts and other unforeseen issues. He further remarked that next month, there will likely be an additional \$1.6 million request, which will be for pump and motor purchases, which will be a change order through Specialty Construction. Discussion ensued about the motor sizes and what would be needed. Kim Sloat of Kennedy-Jenks, who is the construction management

company for this project, praised Specialty Construction's cooperation in managing cost and addressing utility interferences.

With a motion by Director Freeman and a second by Vice President Tonascia, the Board Approved Increasing the Contingent Funding for a Contract Issued to Specialty Construction, Inc. in the Amount of \$1,043,281.05 for the Accelerated Drought Response Project (ADRoP) ASR Well Sites and Pipeline Project Construction and Authorized the General Manager to execute all necessary documents, with 3 affirmative votes, Wright, Tonascia and Freeman and there were 2 absences, Flores and Williams.

11. **Committee/Agency Representative Reports:**

- a. **San Luis and Delta-Mendota Water Authority (Tonascia/Jacobson)**
Director Tonascia was unable to attend the meeting; Mr. Jacobson stated he will cover it under his manager's report.
- b. **Pajaro River Watershed Flood Prevention Authority (Flores/Williams)**
Mrs. Mauro stated Director Flores did attend this meeting virtually, but as he is absent from the Board meeting, he can report on it at the May Meeting.
- c. **Water Resources Association (Flores/Freeman)**
Mrs. Mauro stated Director Flores did attend this meeting, but as he is absent from the Board meeting, he can report on it at the May Meeting.
- d. **Groundwater Sustainability Agency Committee (Williams/Flores)**
Mr. Jacobson reported this has already been covered.
- e. **Investment Committee (Flores/Williams)**
Mr. Miller reported the Investment Policy was reviewed and has already been covered.
- f. **Personnel Committee (Flores/Tonascia)**
As per Director Tonascia, the committee discussed the Compensation Study.
- g. **Zone 6 Water Supply & Operations Committee (Tonascia/Wright)**
Mr. Jacobson reported the committee met with a representative from Primex, who is the consulting firm doing the upgrade on the SCADA. The committee was presented with a change order, for an increase above what had already been approved, to complete the project. After the meeting, Primex has now agreed to use the remaining funds to complete the project, without the additional funds originally asked for. Mr. Jacobson further reported it was a good meeting.

12. **Monthly Operations and Maintenance Report**

Mr. Cattaneo reported on O & M in Michael Craig's absence. He reported there is some leakage at the Paicines Canal, due to squirrels, but it has temporarily been addressed by sealing some holes. Mr. Cattaneo also reported about 300 feet of bentonite matting was installed to help with leaks in the canal. He further reported on water levels and usage in various zones.

13. **General Manager's Report:**

a. Reach 1 Operations

Mr. Jacobson reported on a new notification system that the District and Valley Water will be using for the Pacheco Pumping Plant.

b. Zone 3 Operations

Mr. Jacobson stated Mr. Cattaneo has already covered this.

c. Zone 6 Operations

Mr. Jacobson stated he didn't have anything further to report.

d. Accelerated Drought Response Project (ADRoP)

Mr. Jacobson reported on a grant application that was recently submitted for additional funding.

e. San Luis and Delta-Mendota Water Authority Activities

Mr. Jacobson reported the following was discussed: the potential impact on the Yuba Water Transfer Program due to a power plant failure, an approval of a contract with M&M Consultants and significant funding for the DMC Subsidence Project.

f. City of San Juan Bautista Water Supply Plan

Mr. Jacobson stated he had nothing to report on this matter.

g. B F Sisk Dam Raise Project

Mr. Jacobson reported there could be a potential cost savings on mitigation regarding this project.

h. Sustainable Groundwater Management Act Compliance

Mr. Jacobson reported he had nothing further to report on SGMA.

i. Miscellaneous District items

Mr. Jacobson had no miscellaneous items to report on.

14. **Adjournment**

With no further business to discuss, the meeting was adjourned at 6:04 p.m.

Mark Wright, President

Barbara L. Mauro, Executive Assistant/Board Clerk

Agenda Item: 5

Meeting Date: May 27, 2026

Submitted By: Brett I. Miller

Presented By: Brett I. Miller

Agenda Title: Public Hearing on the San Benito County Water District Groundwater Sustainability Agency's Sustainable Groundwater Management Fee for Fiscal Years 2026/2027-2030/2031

Detail Description: The Sustainable Groundwater Management Fee for Fiscal Years (FY) 2026/2027-2030/2031 is to fund the San Benito County Water District Groundwater Sustainability Agency's (SBCWD GSA) responsibilities under the Sustainable Groundwater Management Act (SGMA), including the development and implementation of the Groundwater Sustainability Plan (GSP), ongoing monitoring, reporting, and program administration for the North San Benito Groundwater Basin. The regulatory fee structure is designed following a comprehensive technical and financial analysis, with the intent to equitably recover the costs associated with both the 5-year periodic update to the GSP and the ongoing annual compliance obligations mandated by SGMA. The methodology for the regulatory fee is based on an acreage assessment, applying charges only to those parcels that significantly benefit from groundwater management activities, as determined by hydrogeological studies and technical memoranda prepared by the District's consultant, Todd Groundwater. Parcels in upland areas with limited groundwater access and minimal benefit from the GSP were excluded from the regulatory fee, ensuring that the cost allocation bears a reasonable relationship to the benefits received by each landowner.

The fee that will be collected during this five-year fee period will cover the annual expenses required for SGMA compliance, such as the 5-year periodic update, groundwater monitoring, data management, and reporting to the Department of Water Resources. The annual revenue requirement was calculated to cover these obligations, with the per-acre fee adjusted each year to account for inflation. The collection mechanisms for the fee included direct billing to municipal water agencies and the Santa Clara Valley Water District for their respective service areas, as well as placement of the regulatory fee on the San Benito County property tax rolls for individual landowners, in accordance with the procedures outlined in the California Water Code and the California Constitution.

A review of the regulatory fee for SGMA compliance that is in effect until the end of FY 2025/2026 was conducted via a public hearing input process that was held at a Board meeting on April 22, 2026. There were no public comments during the public hearing.

The Board has been asked to decide on the adoption of a revised Sustainable Groundwater Management Fee that will ensure continued local funding for groundwater sustainability activities and compliance with state law.

Prior Committee or Board Action:

On April 22, 2026, the Board met to discuss the Groundwater Management Fee that was in effect from FY 2020/2021-2025/2026 and to make recommendations to staff regarding its adoption of future fee years for 2027-2031.

Annual actions to request collection of the fee on the property tax rolls were taken by the Board for each fiscal year within the FY 2020/2021-2025/2026 period.

Financial Impact: _____ Yes No

No financial impact currently. Once the new rate is approved there will be a financial impact.

A decision to adopt the Sustainable Groundwater Management Fee for FY 2027-2031 will have a direct financial impact on the San Benito County Water District and its stakeholders. The expiration of the current fee structure necessitates Board action to ensure continued funding for groundwater sustainability activities as required under SGMA. The Board’s decision, informed by public testimony and technical analysis, may result in the adoption of a new or a revised fee schedule for subsequent fiscal years. Any changes to the fee structure will affect the District’s revenue stream and the financial obligations of landowners and water agencies subject to the fee. The financial impact will be quantified following the Board’s determination of the new fee amount and methodology, in accordance with the requirements of California Water Code section 10730.

Funding Source/Recap: The funding for the Sustainable Groundwater Management Fee for FY 2026/2027-2030/2031 is authorized under California Water Code section 10730, which permits a Groundwater Sustainability Agency (GSA) to impose fees necessary to support the costs of developing and implementing a groundwater sustainability program. The regulatory fee is collected from qualifying landowners and water agencies within the North San Benito Groundwater Basin, with the County of San Benito responsible for collecting the regulatory fee on the property tax rolls for applicable parcels, as authorized by Board request each fiscal year.

Public Hearing on the SGMA Groundwater Management Fee

SAN BENITO COUNTY WATER DISTRICT

1

Groundwater Management Fee Background

- ▶ On June 10, 2021, the Groundwater Sustainability Agency (GSA) Committee of the San Benito County Water District convened to discuss the proposed Groundwater Management Fee and to make recommendations to the Board regarding its adoption for Fiscal Years 2021-2026.
- ▶ On July 14, 2021, the Board of Directors, acting as the GSA for the North San Benito Groundwater Basin approved Resolution 2021-13 adopting the fee.
- ▶ Purpose of tonight's Action is to adopt an updated fee for 2026/2027 to 2030/2031.

2

Groundwater Management Fee Background

- ▶ SGMA does not require new fee structures
- ▶ District developed GMF to equitably distribute compliance costs between Zone 3 and Zone 6
- ▶ Parcel-based fee previously adopted and implemented
 - ▶ Intent is to recover costs associated with long-term benefits
- ▶ Usage-based fee was contemplated but not implemented
 - ▶ Intent would be to recover costs associated with immediate benefit

3

Existing Groundwater Management Fees

| Fiscal Year | Annual Fee Per Acre |
|-------------|---------------------|
| 2021-2022 | \$5.77 |
| 2022-2023 | \$5.92 |
| 2023-2024 | \$6.07 |
| 2024-2025 | \$6.23 |
| 2025-2026 | \$6.39 |

4

Program Accounting

| Fiscal Year | 2021-2022 | 2022-2023 | 2023-2024 | 2024-2025 | 2025-2026 (est.) |
|--------------------------|-----------|-----------|-----------|-----------|------------------|
| Budgeted Expenses | \$415,262 | \$455,610 | \$414,716 | \$315,671 | \$145,150 |
| Actual Expenses | \$103,292 | \$123,653 | \$116,789 | \$119,111 | \$137,200 |

- ▶ Actual expenses were lower than anticipated
- ▶ Program has an estimated balance of \$1.5M

5

Projected Expenses

| Fiscal Year | 2026-2027 | 2027-2028 | 2028-2029 | 2029-2030 | 2030-2031 |
|---|------------------|------------------|------------------|------------------|------------------|
| Wages | \$60,000 | \$63,000 | \$66,150 | \$69,458 | \$72,930 |
| Contract Services | 170,000 | 178,500 | 187,425 | 196,796 | 206,636 |
| Material and Equipment | 150 | 158 | 165 | 174 | 182 |
| General and Admin. | <u>2,000</u> | <u>2,100</u> | <u>2,205</u> | <u>2,315</u> | <u>2,431</u> |
| Projected Expenses | \$232,150 | \$243,758 | \$255,945 | \$268,743 | \$282,179 |
| Total Project Expenses for 5 years - \$1,282,775 | | | | | |

6

Projected Future Revenue Requirement

| | |
|---|--------------------|
| Estimated Reserve Balance | <u>\$1,535,000</u> |
| Projected Expenses | <u>\$1,282,775</u> |
| Remaining Balance | \$252,225 |
| 2-Year Reserve | <u>\$(500,000)</u> |
| Funding Requirement (Collected over 5-Years) | <u>\$(247,775)</u> |

7

Projected Future Revenue Requirement

| | |
|--|------------------|
| Funding Requirement | \$247,775 |
| Allocated over (acres): | <u>82,717</u> |
| Total Per Acre Amount to be Allocated over 5 years | \$3.00 |
| Divided by 5 years | <u>5</u> |
| Per Year Allocation per Acre | \$0.60 |

8

Potential Allocation Methodology

- ▶ Retaining parcel-based fee as the interim solution which current calculation has the assessment calculated to approximately be \$0.60/acre
- ▶ Inclusion of a usage-based fee which is based on pumping usage would require a rational basis for allocation between fees

9

SGMA Compliance Schedule

- ▶ December 2025: Begin Periodic Evaluation/GSP Amendment
- ▶ January 2026: Initiate Technical Advisory Committee (TAC)
- ▶ January 2026: Board Approves Annual Groundwater Report
- ▶ April 2026: Submit Annual Groundwater Report to DWR
- ▶ January 2027: Submit Periodic Evaluation/GSP Amendment

10

Recommendation

- ▶ Staff recommends:
 - ▶ Retain parcel-based fee for at least one more rate cycle as the interim solution
 - ▶ Evaluate effectiveness of OpenET through GSP amendment
 - ▶ Implement in subsequent year if warranted
 - ▶ Adopt the Goundwater Management Fee of \$0.60 per AF

11

RESOLUTION NO. 2026-12

**A RESOLUTION OF THE BOARD OF DIRECTORS
OF THE SAN BENITO COUNTY WATER DISTRICT,
ACTING AS THE GROUNDWATER SUSTAINABILITY AGENCY FOR THE
NORTH SAN BENITO GROUNDWATER BASIN,
ADOPTING A SUSTAINABLE GROUNDWATER MANAGEMENT FEE
FOR FISCAL YEARS 2026/2027 THROUGH 2030/2031**

WHEREAS, the Sustainable Groundwater Management Act, California Water Code section 10720 et seq. (“SGMA”), requires groundwater sustainability agencies to sustainably manage groundwater basins subject to SGMA; and

WHEREAS, the San Benito County Water District (“District”), acting as the Groundwater Sustainability Agency (“SBCWD GSA”) for the North San Benito Groundwater Basin (“Basin”), is responsible for funding and carrying out groundwater sustainability activities within the Basin, including development, implementation, administration, monitoring, data management, and reporting associated with the District’s Groundwater Sustainability Plan, as approved by the California Department of Water Resources on July 27, 2023 (“GSP”); and

WHEREAS, California Water Code section 10730 authorizes the SBCWD GSA to impose fees to fund the costs of the GSP, including, but not limited to, groundwater sustainability plan preparation, plan implementation, investigations, inspections, compliance assistance, enforcement, program administration, and other activities necessary or convenient to implement SGMA; and

WHEREAS, on July 14, 2021, the District’s Board of Directors, acting as the SBCWD GSA (“Board”), held a duly noticed public hearing to consider adoption of a Sustainable Groundwater Management Fee for Fiscal Years 2021/2022 through 2025/2026; and

WHEREAS, following the July 14, 2021 public hearing, the Board adopted Resolution No. 2021-13, establishing the Sustainable Groundwater Management Fee for Fiscal Years 2021/2022 through 2025/2026 and setting forth requirements for periodic review and public input; and

WHEREAS, the existing Sustainable Groundwater Management Fee was established to recover the remaining local share of GSP development costs not

covered by state grant funding, and to support the annual expenses required for SGMA compliance, including monitoring, data management, reporting to the Department of Water Resources, and program administration; and

WHEREAS, the existing fee structure was based on an acreage assessment methodology designed to equitably recover costs from parcels that significantly benefit from groundwater management activities within the Basin; and

WHEREAS, based on hydrogeological studies and technical memoranda prepared by the District's consultant, Todd Groundwater, parcels in upland areas with limited groundwater access and minimal benefit from the GSP were excluded from the fee, so that the cost allocation would bear a reasonable relationship to the benefits received by each landowner; and

WHEREAS, pursuant to Resolution No. 2021-13, the SBCWD GSA committed to an annual budgetary review and, at a minimum, a comprehensive evaluation of the Sustainable Groundwater Management Fee structure every five years; and

WHEREAS, the five-year fee period established by Resolution No. 2021-13 is expiring, and continued funding is necessary for the SBCWD GSA to carry out SGMA-required groundwater sustainability activities for Fiscal Years 2026/2027 through 2030/2031; and

WHEREAS, on April 22, 2026, the Board held a public hearing to receive testimony regarding the Sustainable Groundwater Management Fee for Fiscal Years 2021/2022 through 2025/2026, the existing fee methodology, and the need for a new or revised Sustainable Groundwater Management Fee for future fiscal years; and

WHEREAS, at the April 22, 2026 public hearing, the Board received and considered public testimony, stakeholder comments, staff analysis, and other information relevant to the Sustainable Groundwater Management Fee and its underlying methodology; and

WHEREAS, following the April 22, 2026 public hearing, District staff prepared a proposed Sustainable Groundwater Management Fee structure for Fiscal Years 2026/2027 through 2030/2031 ("Proposed Fee"); and

WHEREAS, the calculation methodology for the Proposed Fee and the analysis of parcels to which the Proposed Fee would apply is supported by a technical memorandum prepared by Todd Groundwater, dated April 20, 2026

(“Fee Study”), attached hereto as **Exhibit A** and incorporated herein by reference; and

WHEREAS, as supported by the Fee Study, the Proposed Fee continues to apply to qualifying parcels and water agencies that benefit from groundwater management activities within the Basin, and excludes parcels in upland areas with limited groundwater access and minimal benefit from GSP implementation; and

WHEREAS, the Proposed Fee is intended to fund the reasonable costs of the SBCWD GSA’s groundwater sustainability program, including GSP implementation, monitoring, data management, reporting, administration, consultant services, legal services, technical studies, and other SGMA compliance obligations; and

WHEREAS, the Proposed Fee is designed to recover no more than the reasonable costs of the activities for which the fee is imposed, and to allocate those costs in a manner that bears a reasonable relationship to the benefits received by the affected parcels and water agencies; and

WHEREAS, the District provided notice of the Proposed Fee and the public hearing held on May 27, 2026, in the manner required by California Water Code section 10730 and other applicable law; and

WHEREAS, the District made available to the public the data upon which the proposed fee is based at least 20 days before the public hearing, as required by California Water Code section 10730; and

WHEREAS, at the April 22, 2026 public hearing, pursuant to the notice of public hearing, the Board considered adopting of the Proposed Fee; and

WHEREAS, the Board finds that adoption of the Proposed Fee is necessary to ensure continued local and state funding for groundwater sustainability activities and compliance with SGMA.

BE IT RESOLVED by the Board of Directors of the San Benito County Water District, acting as the Groundwater Sustainability Agency for the North San Benito Groundwater Basin, as follows:

1. Findings. The Board hereby finds and determines that the foregoing recitals are true and correct and are incorporated herein as findings of the Board with respect to the action taken hereunder.

2. Applicability. The Sustainable Groundwater Management Fee structure for Fiscal Years 2026/2027 through 2030/2031 shall apply to all parcels overlying the North San Benito Groundwater Basin, with the exception of parcels in upland areas that do not receive specific benefits from groundwater management required by SGMA. The areas that receive specific benefits from groundwater management are identified in the list of parcels that identifies the total number of acres within each parcel that receive special benefits that is attached hereto as **Exhibit B** and incorporated herein by reference.
3. Amount. The Sustainable Groundwater Management Fee structure for Fiscal Years 2026/2027 through 2030/2031 shall be \$0.60 per acre of land.
4. Effective Date. The Sustainable Groundwater Management Fee structure for Fiscal Years 2026/2027 through 2030/2031 shall take effect June 1, 2026.
5. Severability Clause. In the event that any portion or provision of this Resolution shall be determined by a court of law or other tribunal to be invalid or unconstitutional, such findings of invalidity or unconstitutionality shall not affect the validity of the remaining provisions of this Resolution, which shall remain in full force and effect.

Remainder of Page Intentionally Left Blank

PASSED AND ADOPTED at a Regular Meeting of the Board of Directors of the San Benito County Water District, acting as the Groundwater Sustainability Agency for the North San Benito Groundwater Basin, held on the 27th day of May, 2026 by the following vote:

AYES: DIRECTORS:
NOES: DIRECTORS:
ABSENT: DIRECTORS:

MEMORANDUM

To: Dana Jacobson, Brett Miller and Jeff Cattaneo, San Benito County Water District and Russell Frink, Kronick Moskovitz Tiedemann & Girard

From: Chad Taylor, PG, CHG, Principal Hydrogeologist

Re: North San Benito Basin Sustainable Groundwater Management Act (SGMA) Implementation Fee Structure Five Year Land Area Assessment

1. BACKGROUND

San Benito County Water District (SBCWD) is the Groundwater Sustainability Agency (GSA) for the San Benito County portion of the North San Benito Groundwater Basin (Basin, Figure 1). Together with the Santa Clara Valley Water District (Valley Water), the GSA for the Santa Clara County portion of the Basin, SBCWD completed a GSP for the Basin and submitted it to the California Department of Water Resources (DWR) in 2022. SBCWD has been implementing the initial GSP since adoption in late 2021 and the GSP was approved by DWR in 2024.

As part of development of the initial GSP in 2021, SBCWD developed a mechanism for funding GSP implementation. That funding mechanism was on a land area basis for parcels in San Benito and Santa Clara counties that were identified as receiving specific benefits from Basin groundwater management. Todd Groundwater (Todd) assisted SBCWD in developing a database of parcels in the Basin that benefit from groundwater management using remote sensing techniques to identify parcel location relative to productive portions of the Basin and the service areas of existing water purveyors. The methodologies and outcome of that classification was documented in a memorandum titled *North San Benito Basin Parcel Attribution for Sustainable Groundwater Management Act (SGMA) Implementation Funding, San Benito and Santa Clara Counties, CA*, dated July 9, 2021. In addition to this memorandum, Todd also provided a database of then-current parcels identified by San Benito County Assessor's Parcel Number (APN).

2. EXISTING FEE STRUCTURE

The SBCWD Board adopted a resolution on July 14, 2021 (Resolution 2021-13) establishing an annual land area based fee for the parcels identified as receiving specific benefits from groundwater management. The Resolution established the existing fee for fiscal years 2021-22 through 2025-26 to "cover the actual and estimated costs to develop the initial [GSP] and to fund the ongoing annual expenses for the 5-year period after plan adoption." That resolution also established a process through which property owners could appeal the

classification of their parcel(s) and request a reduction in the area of benefit or be exempted from the fee.

As noted above, the 2021 Resolution established the existing fee structure through fiscal year 2025-26. The 2021 Resolution does not allow for a simple extension of the fee as it requires that SBCWD review the fee and methodology to assess if it continues to be appropriate or should be changed. The original assessment of the parcels in the Basin benefiting from groundwater management referenced a satellite-based methodology for estimating water use that was intended to be implemented within five years that could be used to aid SBCWD in developing a use-based fee structure. However, the specialty contractor that was attempting to develop a satellite imagery analysis at the time of the initial fee development was not able to deliver a product acceptable to SBCWD.

Since adoption of the 2021 Resolution, SBCWD staff have maintained the database of parcels receiving specific benefits from groundwater management originally developed by Todd. This has included review and assessment of properties for which owners have requested complete or partial exemption from the fee. To date, a total of 24 parcels have requested complete or partial exemption from the fee, and all of them have been approved by SBCWD management.

3. REVIEW OF GROUNDWATER MANAGEMENT AREA OF BENEFIT

Todd Groundwater was asked to review the basis for identifying parcels receiving specific benefits from groundwater management. This review included assessment of:

1. The area identified in the 2021 analysis
2. The parcels subject to the groundwater management fee in 2025
3. The parcels exempted from the fee to date
4. The specific 2026 APN's within the area receiving specific benefits from groundwater management

Our evaluation first considered the methodology applied in 2021 as documented in the original parcel assessment memorandum. That methodology remains appropriate for establishing the areas receiving specific benefits from groundwater management in the Basin and no modifications to the methodology were identified. The areas identified in the 2021 assessment are shown in Figure 1.

SBCWD provided tabular datasets listing the APNs subject to the groundwater management fee in 2025. These datasets were linked through APN to Geographic Information Systems (GIS) datasets from the San Benito County and Santa Clara County Assessor's Offices to review the spatial distribution of the most recent parcels subject to the fee. APNs were used to map the SBCWD list of parcels to 2026 geographic datasets for this purpose. This comparison showed that the parcels SBCWD has assessed for groundwater management are still within the area receiving specific benefits from sustainable management of the Basin. This assessment included the properties that have been granted complete or partial

exemption from the groundwater management fee. No issues with these exemptions were identified.

The San Benito County Assessor routinely modifies parcel map datasets to reflect changes in property boundaries, property subdivisions, and other changes. As a result, there were parcels in the SBCWD lists that could not be located in the current San Benito County Assessor's map dataset. To address this, the parcels receiving specific benefits from groundwater management that were identified in 2021 were compared to the parcels in the 2026 Assessor's Parcel map datasets to generate an updated diagram of parcels that receiving specific benefits from groundwater management. This area is shown in Figure 2 and the GIS data will be provided to SBCWD staff.

4. CONCLUSIONS AND RECOMMENDATIONS

The following conclusions and recommendations have been identified based on the assessment summarized above:

Conclusions:

- The approach to identifying parcels within the North San Benito Basin receiving specific benefits from groundwater management remains appropriate
- SBCWD's management of the list of parcels receiving specific benefits from groundwater management, including parcels that are exempt from the fee, has been consistent with the methodology established in 2021
- There have been changes in parcel boundaries and numbering that may affect the identification of the parcels

Recommendations:

- The general area of the Basin receiving specific benefits from groundwater management should be reevaluated periodically to account for changes in parcel boundary mapping and APN assignment by the San Benito and Santa Clara county assessor's
- Annual assessment of the parcels within the area receiving specific benefits from groundwater management will assist SBCWD in maintaining an accurate list of those parcels subject to the SGMA implementation fee

Presented By: Dana Jacobson

Agenda Title: Consider Approval of Memorandum of Understanding Between Santa Clara Valley Water District and San Benito County Water District for Groundwater Basin Sustainability Plan Cost Sharing

Detailed Description:

On July 5, 2017, the San Benito County Water District (“District”) and the Santa Clara Valley Water District (“Valley Water”) entered into a memorandum of understanding to establish the agencies’ respective roles for managing groundwater, including cost sharing for groundwater management, within the Hollister Area Subbasin and San Juan Bautista Area Subbasin (“2017 MOU”).

Since the 2017 MOU was entered into, based on the MOU’s agreed-upon terms, (1) the Hollister Area Subbasin and San Juan Bautista Area Subbasin were consolidated into the North San Benito Subbasin; (2) the District and Valley Water prepared a groundwater sustainability plan for the North San Benito Subbasin (“GSP”) as required by the Sustainable Groundwater Management Act (“SGMA”); (3) on July 27, 2023, the Department of Water Resources approved the GSP; and (4) the District and Valley Water are in the process of finalizing their 5-year update to the GSP.

As a result of these important developments, District staff and Legal Counsel propose replacing the 2017 MOU with a new agreement that reflects the current roles and responsibilities of the District and Valley Water (“Proposed MOU”). The Proposed MOU would supersede the 2017 MOU and memorialize the terms under which Valley Water will continue to coordinate with the District, share information, and contribute to its fair share of groundwater management costs associated with the North San Benito Subbasin.

The Proposed MOU provides that Valley Water will contribute \$0.60 per acre for 2,724 acres of Valley Water’s jurisdictional lands within the North San Benito Subbasin that are susceptible of irrigation, resulting in an annual payment to the District of \$1,634 and a total payment of \$8,172 over the five-year term of the Proposed MOU.

Approval of the Proposed MOU will allow the District and Valley Water to continue coordinating on SGMA compliance and sustainable groundwater management in the North San Benito Subbasin under updated terms that reflect current conditions.

Attachments:

- 1. Proposed MOU

Prior Committee or Board Action: No.

Financial Impact: Yes.

Approval of the Proposed MOU will result in Valley Water reimbursing the District \$1,634 annually, for a total of \$8,172 over the five-year term, for Valley Water's agreed proportional share of groundwater management activities.

Funding Source/ Recap: N/A

Recommendation:

Board to authorize the General Manager to execute the Memorandum of Understanding Between Santa Clara Valley Water District and San Benito County Water District for Groundwater Basin Sustainability Plan Cost Sharing included as Attachment 1.

*Proposed Memorandum of Understanding Between Santa Clara Valley Water District
and San Benito County Water District
for Groundwater Basin Sustainability Plan Cost Sharing*

**MEMORANDUM OF UNDERSTANDING
BETWEEN SANTA CLARA VALLEY WATER DISTRICT
AND SAN BENITO COUNTY WATER DISTRICT
FOR
GROUNDWATER BASIN SUSTAINABILITY PLAN COST SHARING**

This MEMORANDUM OF UNDERSTANDING (“MOU”), effective as of July 1, 2026 (“Effective Date”), is by and between the Santa Clara Valley Water District (“Valley Water”), and the San Benito County Water District (“SBCWD”). Valley Water and SBCWD are referred to herein individually as “Party” and collectively as the “Parties.”

This MOU sets forth the respective roles and responsibilities of the Parties for coordinating continued implementation of the development, implementation and enforcement of a further or updated groundwater sustainability plan for the North San Benito Groundwater Basin (3-003.05), consistent with the Sustainable Groundwater Management Act (“SGMA”).

RECITALS

WHEREAS, Valley Water, an independent special district created by the Legislature of the State of California, manages groundwater and is the primary water resource agency for Santa Clara County, supplying wholesale water, providing flood protection, and serving as environmental steward for clean, safe creeks and healthy ecosystems; and

WHEREAS, SBCWD, a County Water District organized pursuant to Chapter 70 of the Water Code Appendix (the “San Benito County Water District Act”), preserves the economic and environmental health and well-being of San Benito County through the control, management, and conservation of waters and the provision of water services in a practical, cost-effective, and responsible manner; and

WHEREAS, SGMA, enacted by the State of California, provides that local agencies may become a Groundwater Sustainability Agency (“GSA”) and adopt a Groundwater Sustainability Plan (“GSP”) to manage groundwater basins within the local agency's statutory jurisdiction; and

WHEREAS, on July 5, 2017, the Parties entered into a memorandum of understanding that set forth the roles and responsibilities for coordinating their compliance with the Act, the purpose being “to establish an understanding between the Parties with regard to preparing a consolidated GSP for the [Bolsa Area (3-003.02), Hollister Area (3-003.03), and San Juan Bautista Area (3-003.04) Subbasins of the Gilroy-Hollister Basin and the Tres Pinos Valley Basin (3-025)], including responsibilities and funding obligations.” (“2017 MOU”); and

WHEREAS, on July 3, 2019, the California Department of Water Resources (“DWR”) approved a basin boundary modification that consolidated the Bolsa Area (3-003.02), Hollister Area (3-003.03), and San Juan Bautista Area (3-003.04) Subbasins of the Gilroy-

Hollister Basin and the Tres Pinos Valley Basin (3-025) into the North San Benito Groundwater Basin (3-003.05); and

WHEREAS, the Boards of Directors of SBCWD and Valley Water adopted a GSP for the North San Benito Groundwater Basin on November 17, 2021 and December 14, 2021, respectively; and

WHEREAS, on July 27, 2023, DWR approved the GSP for the North San Benito Subbasin; and

WHEREAS, SBCWD is the exclusive GSA within the portion of the North San Benito Subbasin located in San Benito County; and

WHEREAS, Valley Water is the exclusive GSA within the portion of the North San Benito Subbasin located in Santa Clara County;

WHEREAS, the Parties have a continued interest in collaborating and sharing costs in the development, implementation and enforcement of a further or revised or updated GSP for the North San Benito Subbasin consistent with SGMA and the Parties' respective jurisdiction of lands in the North San Benito Subbasin; and

WHEREAS, the Parties agree and wish to memorialize that all obligations under the 2017 MOU have been fully satisfied and that agreement has been terminated.

NOW, THEREFORE, in consideration of the foregoing recitals and mutual obligations of the Parties expressed herein, the Parties agree as follows:

1. Purpose

This MOU memorializes the terms under which Valley Water will continue its coordination, information sharing, and cost-sharing obligations in support of the development, implementation, and enforcement of a further or revised or updated GSP for the North San Benito Subbasin, as required by SGMA. This MOU also memorialize that all obligations under the prior 2017 MOU (for development of the initial GSP) have been fully satisfied and that agreement has been terminated.

2. Term

This MOU shall be in full force and effect as of the Effective Date, and shall terminate five (5) years thereafter, unless the Parties mutually agree otherwise in writing.

3. Responsibilities of SBCWD

- a) SBCWD will act as the contracting entity under this MOU. Subject to approval by SBCWD's authorized representative, SBCWD shall be responsible for

executing any consultant contracts to undertake implementation and SGMA compliance for the GSP for the North San Benito Subbasin. SBCWD shall conduct a consultant procurement process that satisfies its own internal consultant procurement policies/criteria.

- b) SBCWD will share relevant Basin data and information with Valley Water.
- c) SBCWD will notify Valley Water of the consultants selected for purposes of SGMA compliance, including, but not limited to, 5-year periodic evaluations of the GSP for the North San Benito Subbasin, groundwater monitoring, and surface water monitoring.
- d) SBCWD shall be responsible for the cost of developing a further or revised or updated GSP for the North San Benito Subbasin as it pertains to lands within Santa Clara County, as set forth in Article 4(b) and Article 5.

4. Responsibilities of Valley Water

- a) Valley Water will share relevant data and information with SBCWD as requested.
- b) Valley Water will reimburse SBCWD for its further or revised or updated GSP-related costs in accordance with Article 5 of this MOU.

5. Cost Sharing and Payment

- a) Valley Water will contribute a proportional share of the costs incurred by SBCWD for further GSP development, implementation, and/or enforcement within the North San Benito Subbasin located within Santa Clara County.
- b) The annual amount payable by Valley Water to SBCWD is \$0.60 (sixty cents) per acre of lands within the North San Benito Subbasin that are susceptible of irrigation and located in Santa Clara County, as previously determined by SBCWD's groundwater management consultant, which the Parties mutually agree is 2,724 acres.
- c) The total amount payable by Valley Water to SBCWD over the Term of this MOU, pursuant to the foregoing dollar amount and acreage, is \$1,634 (one thousand six hundred thirty-four dollars) annually, or \$8,170 total over the Term.
- d) SBCWD will issue invoices to Valley Water annually in the amount agreed to hereunder, which shall be paid to SBCWD in full within thirty (30) days of receipt of the invoice.

6. Hold Harmless, Indemnification, Remedies, and Insurance

To the extent permitted by California law and in proportion to fault, each Party will indemnify, defend, and hold the other Party and its directors, officers, agents, and employees safe and harmless from any and all claims, suits, judgments, damages, penalties, costs, expenses, liabilities and losses (including without limitation, sums paid in settlement of claims, actual attorneys' fees, paralegal fees, consultant fees, engineering fees, expert fees, and any other professional fees) that arise from or are related in any way to each Party's (including its employees, officers, and agents) performance under this MOU; provided, however, that no Party shall indemnify or hold harmless another Party for that Party's own negligent acts, errors, or omissions, or willful misconduct, in the performance of this MOU, including the performance of consultants.

Notwithstanding the preceding paragraph, where the Parties are named in a suit challenging the GSP, or made subject to a claim or penalty regarding the same, the Parties shall coordinate and undertake a joint defense, utilizing a joint defense agreement to the extent possible, subject to the approval of the Parties. Each Party agrees that, to the greatest extent practicable, it shall cooperate in such defense and execute any waivers and/or tolling agreements that may be necessary in order to provide for a single joint defense of such a suit, claim, or imposition of penalty. Any communications between the Parties and any of their respective consultants and attorneys engaged in the joint defense shall be privileged as joint defense communications. Work performed during the joint defense by Consultants or attorneys, to the extent allowed by law, shall be considered attorney work product. Nothing in this paragraph is intended to require a joint defense under circumstances where it would be legally impermissible or under circumstances where it is wholly impractical.

This indemnity provision shall survive the termination of this MOU. Further, each Party will be liable to the other Party for its attorneys' fees, costs, and expenses, and all other costs and expenses whatsoever incurred in enforcing this indemnity provision.

In all consultant contracts funded in whole or part by the Parties, SBCWD shall name Valley Water and its officers, agents, and employees as additional insureds and additional indemnitees in the insurance coverage and indemnity provisions customarily used in the SBCWD professional service contracts.

7. Disputes

Any claim that a Party may have against the other Party regarding the performance of this MOU, including, but not limited to, claims for compensation will be submitted to such other Party. The Parties will attempt to negotiate a resolution of such claim and

if necessary process an amendment to this MOU or a settlement agreement to implement the terms of any such resolution.

8. Cancellation

If a Party elects to terminate its participation in this MOU prior to the expiration of the Term, it may do so by delivering to the other Party a written notice of intention to terminate, provided that all cost-sharing and payment obligations set forth in Article 5 are met. Such termination shall take effect thirty (30) days following the receipt of notice by the other Party. No portion of the terminating Party's financial contribution provided under this MOU shall be refunded to the terminating Party.

9. Maintenance and Inspection of Books, Records, and Reports

The Parties will, upon reasonable advance written notice, make available for inspection by the other Party all records, books, and other documents directly relating to the GSP or groundwater management for the North San Benito Subbasin. Prior to the release of such documents (other than in response to a request under the California Public Records Act, a subpoena, or court order), all draft information shall be approved by both Parties for finalization and release.

10. MOU Not a Precedent

The Parties intend that the provisions of this MOU will not bind the Parties as to the provisions of any future agreement between them. This MOU was developed specifically for the Term and purpose.

11. Notices

Any notice, demand, or request made in connection with this MOU must be in writing and will be deemed properly served if delivered in person or sent by United States mail, postage prepaid, or by email, to the following addresses:

Santa Clara Valley Water District
Attention: Jason Gurdak, Groundwater Management Unit Manager
5750 Almaden Expressway
San Jose, CA 95118
jgurdak@valleywater.org

San Benito County Water District
Attention: Dana Jacobson, General Manager
30 Mansfield Road,
Hollister, CA 95023
djacobson@sbcwd.ca.gov

Either Party may change such contact or address by notice given to the other Party as provided herein.

12. Amendments

This MOU may be amended in the form of a written amendment executed by the Parties.

13. Assignment

No Party shall assign, sublet, or transfer this MOU or any of the rights or interests in this MOU without the written consent of the other Party.

14. Severability

The partial or total invalidity of one or more parts of this MOU will not affect the intent or validity of remaining parts of this MOU.

15. Governing Law

This MOU will be deemed a contract under the laws of the State of California and for all purposes shall be interpreted in accordance with such laws.

16. Interpretation

This MOU shall be deemed to have been prepared equally by both Parties, and its individual provisions shall not be construed or interpreted more favorably for one Party on the basis that the other Party prepared it.

17. No Third-Party Beneficiaries

This MOU does not and is not intended to confer any rights or remedies upon any person or entity other than the Parties.

Remainder of Page Intentionally Left Blank

IN WITNESS WHEREOF, the Parties hereto have executed this MOU as of the Effective Date.

SECTION 2
OPERATING &
NON-OPERATING REVENUE

OPERATING REVENUE

Zone 1

- Well permit fees – based on slight decrease of 4-year average

Zone 3

- Transfers and exchanges

Zone 6 – Blue Valve

- Ag sales – assumed 10,000 AF
- M&I sales – assumed 5,000 AF
 - Treatment plants – 4,500 AF
 - Other – 500 AF
- Groundwater sales
- Power charge for water sales by subsystem

Finished Water (Treatment Plants)

- Assumed 4,500 AF
 - West Hills – 3,000 AF
 - Lessalt – 1,500 AF

Recycled Water

- Estimated delivery – 0 AF

NON-OPERATING REVENUE

Interest

- Assumed slight decrease due to expected lower interest rates

Taxes and Assessments

- Assumed FY 25-26 estimate, with a 5% increase

Other Non-operating Revenue

- WRA reimbursement for operating activities

Capital Related Revenue

- Principal and interest repayment per the SBUAWTA

SECTION 5

CONTRACT SERVICES

CONTRACT SERVICES

Legal

- General services
- Water rights
- District Act
- Labor negotiations

Engineering

- General services
- Pumpstation 9H redesign
- Piezometer well at Paicines Reservoir

Accounting

- Annual audit
- Actuarial studies

General Consulting

- Annual Groundwater report
- Employee recruitment services
- Website upgrade
- SGMA amendment and periodic evaluation

Computer

- Computer and network support services
- Computer software maintenance and support renewals
- Cybersecurity enhancements

Operations

- Stream flow measurement (USGS Contract)
- Water quality testing
- WRA program fees
- Open ET pilot
- District operations
- Treatment plant operations
 - West Hills and Lessalt

Maintenance

- District office general maintenance
- San Justo/Hernandez/Paicines maintenance
- Contingent expense - major breaks
- Welding services
- Recycled water (WWTP) repairs and maintenance
- Sub repairs – excavator and operator
- Paving repairs (subsystem breaks)
- Meter repairs and testing

Program Consulting

- SLDMWA CVP related activities
- Water Supply Master Plan Update
- Urban Water Management Plan

SECTION 6

MATERIALS & EQUIPMENT

MATERIALS AND EQUIPMENT

Supplies

- Replacements such as
 - Wheel operated valves
 - Underground valves
 - Air valves
 - Pressure transducers
- Pipe and pipe repair parts (clamps, fittings etc.)
- Pump station flowmeters
- Pump VFD breakers
- District yard and shop supplies
- Landscaping materials
- District office supplies
- Paving
- Sand and base rock
- Rental equipment
- Hydraulic air compressor
- Repair closure kits

Office Furniture / Equipment

- Office-related furniture, as needed
- Computer equipment

Meters

- New meters
- Meter replacement supplies
- Chemigation valves

Equipment Maintenance

- Repair of District heavy equipment (i.e. Mower, tractor, backhoe, forklift, etc.)
- Repair of small equipment

Vehicle Fuel & Maintenance

- Fuel
- Major services
- Routine maintenance

Chemicals

- Chlorine (Recycled Water)
- Weed & rodent control

Agenda Item: 8

Meeting Date: May 27, 2026

Submitted By: Brett Miller

Presented By: Brett Miller

Agenda Title: Consider Amending Resolution 2025-12 Regarding the District Policy on Restriction and Designation of District Net Asset/Cash

Detailed Description:

This resolution is brought to the Board every year for approval to maintain or to make changes to the District's Restriction and Designations policy for the current fiscal year-end. Staff recommend only one change to the policy, which is the removal of the Pacheco Reservoir which is no longer applicable because of the discontinuance of the reservoir.

Prior Committee or Board Action:

Finance Committee, May 19, 2026

RESOLUTION NO. 2026-13

**A RESOLUTION OF THE BOARD OF DIRECTORS OF
THE SAN BENITO COUNTY WATER DISTRICT
AMENDING RESOLUTION 2025-12 REGARDING
THE DISTRICT POLICY ON
RESTRICTION AND DESIGNATION OF NET ASSETS/CASH**

WHEREAS a District Policy Regarding Restriction and Designation of Net Asset/Cash was developed with the oversight and participation of the Finance Committee, the District Auditor, and General Counsel; and

WHEREAS the Board of Directors adopted said policy in Resolution 2004-16 on June 30, 2004; and

WHEREAS said policy called for an annual review and Finance Committee and Board of Directors conducted the annual review; and

WHEREAS the Board of Directors adopted and amended policies in Resolutions 2005-16, 2006-10, 2007-11, 2008-22, 2009-14, 2010-12, 2011-14, 2012-13, 2013-14, 2014-08, 2015-06, 2016-12, 2017-12, 2018-08, 2019-09, 2020-09, 2021-15, 2022-20, 2023-14, 2024-33, and 2025-12;

WHEREAS the Finance Committee has conducted the annual review for fiscal year 2026 and the recommended changes to the policy are summarized in Exhibit A;

BE IT RESOLVED by the Board of Directors of the San Benito County Water District that the Policy Regarding Restriction and Designation of Net Assets attached as Exhibit B and included herein by reference is approved.

PASSED AND ADOPTED by the San Benito County Water District Board of Directors at special meeting of said board held on the 27th day of May 2026, at Hollister, California, by the following vote:

ATTEST: _____
Barbara L. Mauro
Board Secretary

Exhibit A

The Policy Regarding Restrictions and Designation of Net Assets/Cash, effective June 30, 2026, is amended from the policy documented in Resolution 2025-12, in the following ways:

- Table #1 Restricted/Net Assets/Cash is unchanged.
- Table #2 Designated/Net Assets/Cash has a change to:
“Reserved for Expanded Pacheco Reservoir”. It has been removed as the project has been discontinued by Santa Clara Valley Water District.

Exhibit B

PURPOSE:

Adequate reserved funds (net assets/cash) are a necessary component of the District's overall financial management plan and are required to meet various externally imposed constraints.

Funds are reserved to meet specific future financial obligations and to mitigate natural, economic, political and regulatory risks. This policy is intended to document the business practices of the District and accurately reflect the nature, purpose and management of restricted and designated net assets and accurately reflect the financial condition of the District to its constituents, creditors, financial institutions, regulatory agencies, State and Federal agencies and the general public.

POLICY:

Restricted Net Assets/Cash

In accordance with GASB Statement 34 and FASB Statement 71, net assets are restricted when constraints placed on their use are externally imposed by creditors, grantors, contributors, or laws or regulations of other governments. They are also restricted if their use is constrained by law through constitutional provisions or enabling legislation. Restricted Net Assets/Cash, the source of Restriction, the purpose of the Restriction, the method of determining the amount of Restriction and the treatment of interest is shown on Table I.

Designated Nets Assets/Cash

In accordance with GASB Statement 34, designations of net assets represent management's intended use of resources and should reflect plans approved by the government's senior management. Designations reflect a government's self-imposed limitations on the use of otherwise available current financial resources. Designated Net Assets/Cash, the purpose of the Designation, the method of determining the amount of Designation and the treatment of interest is shown on Table 2.

Exhibit B

PROCEDURE:

- Restrictions are to be reviewed by the Finance Committee annually including but not limited to a review of statutory and regulatory changes impacting or creating Restriction of District Net Assets/Cash together with any new or pending constraints resulting from business relationships with creditors, grantors or contributors.
- For any new or amended contract or other business relationship or action that creates or changes a restriction of Net Assets/Cash, the nature and amount of that restriction or change in restriction shall be specifically and fully detailed in the documents supporting action by the Board and only the Board shall have the authority to take or approve any action which has the effect of creating or changing such restriction(s) of Net Assets/Cash.
- Designations are to be reviewed by the Finance Committee annually and any changes approved by the Board on or before June 30 each year.
- Adding a designation category requires specific approval of the Board. This action will include: 1) the purpose of the designation, 2) the dollar amount of the designation, 3) the method for calculating any annual adjustment(s), if the dollar amount is to change each year, and 4) whether or not the interest accrued on the designated amount is to be added to the designation at the end of each fiscal year.
- Removing a designation category requires specific approval of the Board.
- Changing the method for calculating the annual adjustment(s) of the designation requires approval of the Board.
- The actual dollar amounts of the designation shall be calculated based on the defined method and adjusted at year-end for financial reporting purposes.
- Designated net assets will be segregated into separate financial accounts.
- An identical amount of cash will be designated for annual financial reporting purposes in order to reflect management's intention to fund the commitment of designated net assets. Designated cash will not be segregated from undesignated cash either in bank/investment accounts or in financial accounts except when that cash is separately invested in a manner specifically approved by the Board.

The General Manager shall have full authority and responsibility to carry out actions of this policy.

RESTRICTED NET ASSETS/CASH

| Name of Restricted Net Asset/Cash | Source Of Restriction | Purpose | Method for Calculating Amount of Restriction | Treatment of Accrued Interest |
|--------------------------------------|---|--|--|--|
| District Revolving Fund | San Benito County Water Conservation and Flood Control District Act (Section 70-7.1(a)) | To provide funds which may be used for emergencies and to pay costs necessary for the establishment of a zone within the District. | Amount specified in the District Act. | Interest accrued as specified in the District Act. |
| San Felipe-Hollister Conduit Reserve | USBR Contract Central Valley Project-Contract Between the United States and the San Benito County Water Conservation and Flood Control District for Water Service and for Operation and maintenance of Certain Works of the San Felipe Division (Contract #8-07-20-W0130) | To meet unforeseen extraordinary costs and emergencies. | Amount specified in the Contract. | As specified in contract. |

RESTRICTED NET ASSETS/CASH

| Name of Restricted Net Asset/Cash | Source Of Restriction | Purpose | Method for Calculating Amount of Restriction | Treatment of Accrued Interest |
|-----------------------------------|--|---|--|-------------------------------|
| San Felipe-Reach 1 Reserve | USBR San Felipe Division-Contract for the Transfer of the Operation and Maintenance of Certain San Felipe Division Facilities (Contract # 6-07-20-X0290): United States, Santa Clara Valley Water District, and San Benito County Water Conservation and Flood | To meet operations and maintenance costs incurred during period of special stress and extraordinary repair or replacement costs associate with Reach 1. | Amount specified in the Contract | As specified in contract. |

RESTRICTED NET ASSETS/CASH

| Name of Restricted Net Asset/Cash | Source Of Restriction | Purpose | Method for Calculating Amount of Restriction | Treatment of Accrued Interest |
|--|---|---|--|--|
| <p>USBR Contract Repayment and Rate Management Reserve</p> | <p>Agreement Between Santa Clara Valley Water District and San Benito County Water District for Repayment and Management of San Felipe Division Facilities.</p> | <p>Funds to pay for San Felipe Division costs, including existing foreseeable and unforeseeable costs that may result from catastrophic failure of San Felipe Division facilities. Funds from this restricted reserve are to be used for USBR Amendatory Contract Repayment. This USBR Contract Repayment and Rate Management Reserve is intended to provide funds to make interest and principal payments on the Amendatory contract in an effort to minimize the impact of the repayment schedule on water rates and taxes.</p> | <p>At each fiscal year end, the amount added to the reserve would be the annual allocation from the land tax, interest accrued on the restricted reserve, and the amount associated with the interest component in M&I water rates. Withdrawals may be made for the USBR principal and interest payments required during the fiscal year as outlined in Exhibit D of the Amendatory contract NO. 8-07-20-W/0130A and for costs associated with WILLN Act USBR in-basin capital repayment costs. Effective fiscal year end 2017-2018, the annual allocation for the Zone 6 land tax is 30% of the land tax and is subject to annual review by the Board. For fiscal year end 2013, the reserve balance will be adjusted to the target minimum of one and one half years of USBR Amendatory Contract payments and the remaining balance will be transferred to the Designation for Hollister Urban Area Water Treatment Plants. The Capital Recovery components (principal and interest) as identified in the Water Supply and Treatment Agreement will be added to the reserve each year in relative proportion to the reserves funding of the project costs. Repayment costs associated with repayment of the in-basin capital costs will be added back to the reserve on an amortized basis over the remaining life of the USBR Amendatory Contract (2036).</p> | <p>Added to the Restricted Reserve to meet future obligations associated with San Felipe Division costs.</p> |

Table #1

RESTRICTED NET ASSETS/CASH

| Name of Restricted Net Asset/Cash | Source Of Restriction | Purpose | Method for Calculating Amount of Restriction | Treatment of Accrued Interest |
|--|--|--|--|--|
| Reach 1 Major Repair and Replacement Reserve | Agreement Between Santa Clara Valley Water District and San Benito County Water District for Repayment and Management of San Felipe Division Facilities. | To provide funds for major repair and replacement associated with Reach 1. | Initial balance to be transferred from the fiscal year end 2006 balance of the designation USBR Contract Renewal. Review amount of restriction annually to be in compliance with Section 4(a) of the Agreement Between Santa Clara Valley Water District and San Benito County Water District for Repayment and Management of San Felipe Division Facilities. When funds are used from this reserve to pay for Reach 1 Major repair and replacement, they will be replenished from the operating budget over 5 to 10 years, depending on life of asset, beginning in the initial project year. Replenishment will also include a 3% Inflation factor. Target minimum established at \$500,000. | Accrued interest is to be added to the Restricted Reserve until such time that the minimum aggregate amount is achieved. Once the minimum aggregate amount is achieved, the interest will be added to the undesignated cash of the District. |

RESTRICTED NET ASSETS/CASH

| Name of Restricted Net Asset/Cash | Source Of Restriction | Purpose | Method for Calculating Amount of Restriction | Treatment of Accrued Interest |
|---|--|--|--|---|
| Reserved for Water Treatment Plants-Asset Replacement Reserve | Hollister Urban Area Water Supply and Treatment Agreement: Article 6.3(a)(4) | To provide funds for capital replacement of assets of the Water Supply and Treatment Program, and funds so expended will be replaced through subsequent contributions. | Annual contribution of \$190,000 for the Lessalt water treatment plant through fiscal year end 2017. Effective fiscal year 17-18, the annual amount collected is established at 1.5% of constructed cost of water treatment plants. Amount is collected through the capital replacement cost component of the monthly billing to the Hollister Urban Area retailers to cover anticipated costs for future capital replacements for both water treatment plants as reviewed annually by District Engineer. Effective fiscal year end 2018-2019, any balance remaining in the Reserve for Hollister Urban Area Water Treatment Facilities will be transferred to the Reserve for Water Treatment Plants-Asset Replacement Reserve. | Interest will accrue. Interest accrued on restricted balance is added to the restriction each fiscal year-end. Average LAF interest rate is applied to the amount of restriction during that fiscal year. |
| Reserve for Other Post-Employment Benefits (OPEB) Trust | CERBT Trust Account | To provide restricted funds for retiree future medical payments. | Amount will be reviewed annually by the Board during the budget process. | As specified in CERBT contract |

Fiscal Year End 2026

Table #2

DESIGNATED NET ASSETS/CASH

| Name of Designated Net Asset/Cash | Purpose | Method for Calculating Amount of Designation | Treatment of Accrued Interest |
|-----------------------------------|--|--|-------------------------------|
| Reserved for Operations | The reserves designated for operating contingencies are established to provide for unforeseen needs, revenue shortfalls, and emergency appropriations during the year. | At fiscal year-end, the District will move from fifty percent to one hundred percent of an average of the most recent 3 years' annual operating expense (excluding depreciation, amortization and operating expense associated with the Hollister Urban Area water treatment plants) by increasing the amount to be sixty seven percent, then the next fiscal year to eighty four percent, and then final one hundred percent in the next following fiscal year. | No interest accrual. |
| Reserved for Capital Improvements | Established by board action(s) to fund future capital improvement projects. The purpose of this designation is to accumulate funds for specific projects or utility purpose to provide all or a portion of the cost. | These designations are for specific new capital improvement projects. The board decides how much to fund and for which projects. Funding level is reviewed annually. Any use of funds is replenished from the operating budget on an amortized basis over the assigned life of the project. Use of funds from this reserve for preliminary survey and investigation, will be replenished from the operating budget on an amortized basis over 5 years. | No interest accrual. |
| Reserved for Self-Insurance | Established by board policy to fund the contingent liability for the District's self-insured portion of vehicle coverage. | Adequacy of funding level will be reviewed annually. | No interest accrual. |

Fiscal Year End 2026

Table #2

DESIGNATED NET ASSETS/CASH

| Name of Designated Net Asset/Cash | Purpose | Method for Calculating Amount of Designation | Treatment of Accrued Interest |
|--|---|---|---|
| Reserved for Capital Asset Replacement | This designation is to accrue funding for asset purchase and replacement in the period of use. Through this funding reservation, monies are set aside for planned future asset expenditures within specified categories. In addition, this reserve provides a funding source for unanticipated asset needs, mitigates the impact of large budget expenditures, and assists with asset management and long range planning. | The designation will be increased by the amount of the annual depreciation expense for each asset multiplied by a factor for each asset group based on their assigned life. Assets with assigned lives of 1-15 years are reserved at 100% of their annual depreciation expense. Assets with assigned lives of 16 to 49 years are reserved at 50% of their annual depreciation expense. Assets with assigned lives of 50+ years and land are not reserved for. | Interest will accrue. Interest accrued on designated balance is added to the designation at fiscal year end. Average LAF interest rate is applied to the amount of designation during that fiscal year. |
| Water Supply Revolving Reserve | To provide additional source of funds for Zone 6 water supply augmentation through local or imported water purchases. | Amount of administrative fee from water sales/transfers and/or funding from operations. Funding level is reviewed annually. Use of funds will be replenished from the operating budget over 5 years on an amortized basis. Target minimum of \$3 million funded over 5 years. | No interest accrual |
| Expanded Pacheco Reservoir | To provide funds for the pre-construction (planning and design) phase of the project. | Effective July 1, 2018, the reserve will be initially funded at \$1,000,000. At FYE Amount will be reviewed annually by the Board during the budget process. | No interest accrual. |
| Reserved for Reliability Charage M&I | Established to fund future water reliability improvement projects. The purpose of this designation is to accumulate funds for specific reliability projects to provide all or a portion of the cost. | These designations are for specific new reliability capital improvement projects. The funds are accumulated from the reliability fee charged each fiscal year. | No interest accrual. |

**San Benito County Water District
Agenda Transmittal**

Agenda Item: 9

Meeting Date: May 27, 2026

Submitted By: David Macdonald

Presented By: David Macdonald

Agenda Title: Consider Awarding a Contract to Coffman Engineers, Inc. to Perform the Close Interval Survey on the Hollister Conduit and Authorize General Manager to execute all necessary documents (NTE \$51,590)

Detailed Description: San Benito County Water District (SBCWD) operates and maintains a portion of the San Felipe Division facilities under contract with the U.S. Bureau of Reclamation (Reclamation). A cathodic protection or corrosion protection system was installed on the transmission line known as the Hollister Conduit, which conveys SBCWD's imported water to the County. This system protects the piping from soil corrosion, which can lead to pipeline fatigue and ultimately result in failure of the pipeline. Part of the maintenance of the corrosion protection system includes performing a Close Interval Survey on the cathodic protection system at least every 5 years.

As part of its contractual obligation to Reclamation to operate the Hollister Conduit, the SBCWD is required to confirm every five years that the cathodic protection equipment used to protect the Hollister Conduit is operating effectively. This is typically done through a 'Close Interval Survey' (CIS). The last CIS was performed by Corrpro, Inc. in 2021.

SBCWD solicited quotes for this service from four different consultants. Quotes were received as noted below:

1. Coffman Engineers, Inc. - \$46,900
2. JDH Corrosion Consultants, Inc. - \$65,445
3. Corrpro, Inc. – Non-responsive
4. Corrosion Protection Solutions – Non-responsive

Coffman Engineers, Inc. was the lowest bid and is responsive. JDH Corrosion Consultants provided a quote for \$65,445 while Corrpro, Inc. and Corrosion Protection Solutions failed to provide a quote. Coffman Engineers appear to be competent and capable of providing the service required.

Due to the nature of this work, delays and issues are high possibilities and additional funds are requested to accommodate such an event. In addition to the \$46,900 for the CIS survey, staff

requests that the Board authorize a contingency to the contract in the amount not to exceed 10% (\$4,690) of the total contract. This would bring the total not to exceed Board authorization for the project to \$51,590.

Staff recommends to the board to contract with Coffman Engineers to complete the CIS survey of the Hollister Conduit to ensure the integrity of the Hollister Conduit.

Materials Included for Information/Consideration:

Reference: 2026 San Benito County Water District Hollister Conduit Close Interval Survey
Fee Proposal – Rev. 1

Dear Mr. Macdonald:

Coffman Engineers is pleased to submit the following fee proposal to perform a close interval survey (CIS) on the Hollister Conduit water transmission pipeline located near Hollister, California in 2026 for the San Benito County Water District (SBCWD).

We understand the Hollister Conduit consists of 2 sections and the San Juan Sub Lateral. Section 1 is 54" diameter, constructed of Bar Wrapped Concrete Cylinder Pipe (BWCCP), and is approximately 308 feet long. Section 2 is 60" diameter, constructed of BWCCP, and is approximately 18 miles long. The San Juan Sub-Lateral is 42" diameter, constructed of BWCCP, and is approximately 0.5 miles long. The water transmission pipelines are electrically continuous and cathodically protected by 12 impressed current cathodic protection (CP) systems outfitted with Remote Monitoring Units. The scope of services is based on our phone conversations and email correspondence.

Scope of Services:

1. Perform an interrupted CIS of the 48" Hollister Conduit Section 2 and the San Juan Sub-Lateral in accordance with NACE SP0207.
2. Obtain pipe-to-soil measurements at established CP test stations.
3. Obtain rectifier output measurements.
4. Perform pipeline located to identify pipeline centerline during CIS, as required.
5. Water CIS pipe-to-soil potential measurements, as required.
6. Develop a technical report with executive summary, CP current sources interruption summary, test point data summary, CIS exceptions list, CIS graphs, NACE certifications, and certificate of meter calibration.

Exclusions:

1. CIS through City of Hollister city limits.

2. CIS on lateral piping segments and water services.
3. Drilling of soil access holes and recording of potential measurements across paved and/or concrete surfaces.
4. Collection of sub-meter GPS coordinates.
5. Datalogging and data processing to account for telluric activity.
6. CP test station repairs.
7. Investigation of stray current interference or uninterrupted CP current sources.
8. Investigation of electrical continuity problems.
9. Manual interruption of CP current sources.
10. Resurvey of pipeline segments due to rectifier output adjustments.
11. Depolarized CIS.
12. All-terrain vehicles (ATV) for site access in rural locations.
13. Traffic control.

Assumptions:

1. SBCWD will provide the following:
 - a. Photographs of rectifier cabinets, including inside components, prior to mobilization.
 - b. Pipeline alignment sheets and maps.
 - c. Pipeline diameter, service, and direction of flow.
 - d. CP test station, bond, casing, rectifier, anode groundbed, and insulating fitting locations including GPS coordinates.
 - e. Foreign crossing locations including operator, pipeline name, diameter, and service, as available.
 - f. Most recent annual CP survey data including pipe-to-soil potential and rectifier output readings.
 - g. Location of casings, horizontal direction drills (HDDs), asphalt/concrete surfaces, railroads, and water crossings.
 - h. Training, access, and personal protective equipment (PPE) requirements for the work on right-of-way (ROW).
 - i. Anticipated right-of-way (asphalt/concrete/gravel, vegetation, livestock, etc.) and landowner challenges.
2. SBCWD will be responsible for:
 - a. ROW clearing, if required.

- b. Landowner notifications prior to CIS field work and communications before, during, and after CIS field work.
 - c. Coordinating access to local and foreign properties.
 - d. Providing access to rectifiers.
 - e. Interruption of influencing local and foreign CP current sources.
 - f. Permitting.
 - g. Answer questions during CIS regarding pipeline route, test station identification, and test lead identification.
3. The CIS will be completed by one crew consisting of three (3) people in one mobilization.
 4. Field work can be performed 12 hours/day, 5 days a week.
 5. SBCWD will interrupt all local influencing rectifiers prior to the arrival of Coffman personnel. Rectifiers and interruption equipment will operate properly throughout the entire duration of the CIS.
 6. SBCWD will coordinate interruption of foreign current sources that are known or suspected to influence the pipelines prior to the arrival of Coffman personnel. Foreign rectifiers and interruption equipment will operate properly throughout the entire duration of the CIS.
 7. Preapproved "skips" during CIS include City of Hollister limits, asphalt surfaces, concrete surfaces, overgrown vegetation, cased crossings, railroads, horizontal directional drills (HDDs), and water crossing too deep to wade.
 8. CP test stations will be reasonably spaced and in good working order. Pipeline test leads will be adequately identified.
 9. Daily CIS plots will not be required.
 10. Standard GPS coordinates will be recorded during the CIS.
 11. Telluric activity will be negligible and will not influence the CIS.
 12. High visibility safety vests, signage, and other basic means will be sufficient to perform CIS near roadways. Traffic control will not be required.
 13. No AC mitigation equipment exists along the pipeline.
 14. Delays outside of Coffman control will not occur, including but are not limited to road construction, site access, landowners, rectifier problems, and interruption problems.
 15. No site-specific training for SBCWD is required.

Schedule:

The schedule to complete the scope of services will be mutually agreed upon.

Mr. Macdonald
San Benito County Water District
5/11/2026
Page 4

Fee Estimate:

A lump fee estimate of **\$46,900** is proposed to complete the scope of services.

Delays during field work, outside of the control of Coffman, will be charged at \$500/hour. Delays include but are not limited to: permitting, right-of-way access, rectifier problems, interruption problems, and landowners.

Thank you for the opportunity to work with you on this project. Please let me know if you need additional information or if I can be of further assistance.

Sincerely,

COFFMAN ENGINEERS, INC.

Subject: Proposal for Corrosion Engineering Services
Close Interval Survey – Hollister Conduit and San Juan Sub Lateral
Hollister, CA

Dear Mr. Macdonald,

Pursuant to your request, **JDH Corrosion Consultants, Inc.** is pleased to provide this proposal to perform a close interval survey and a corrosion control system evaluation of the referenced pipelines. Our firm has performed these same types of services for numerous water pipelines throughout the Bay area and Northern California, and we wish to assure you that we have the experience necessary to perform the services described herein in a timely and professional manner.

SCOPE OF SERVICES

TASK A – Close Interval Survey (CIS) & Report

1. General Approach

Along approximately 19.4 miles, at 10-ft intervals, JDH will perform a CIS of the Hollister Conduit (17.33 miles) and San Juan Sub Lateral (2.03 miles). The purpose of the CIS is to determine the general overall cathodic protection levels over the entire pipeline alignments. JDH is assuming that San Benito will assist with any traffic control necessary to complete the CIS, if a Traffic Control Sub-contractor is needed JDH will coordinate with traffic control company, all costs will be passed on to San Benito.

2. Test Methods

JDH will perform the CIS at maximum 10-ft intervals at all accessible locations along the pipeline alignment, confirming pipeline continuity by near-ground, far-ground test method at each test station along the subject pipeline alignment. To ensure corrosion control per ASTM 876, and Association of Materials Protection & Performance (AMPP) Standards SP0207-07 and SP0169-24. JDH assumes that the alignment will be marked out, but if pipe alignment is not clearly marked, JDH will induce a locate the pipe using a Vivax/Metrotech pipe locator, model vLoc DM, or equal.

3. Coordination and Site Access

JDH will coordinate with San Benito for clarifications regarding pipeline alignment, foreign structures, for access to the pipeline alignment to be tested, and any traffic control needed any possible in road work. JDH assumes that access to the pipeline alignment will be provided by San Benito personnel or by provision of any required gate keys to JDH for their own access during this CIS testing. JDH also assumes that San Benito will notify any private property owners that JDH personnel will be on site during our inspection.

4. CIS Report

JDH will provide a CIS evaluation report that will include all data obtained during the survey, graphs, and interpretation of the reported data.

Limitations

Pricing does not include traffic control for possible roadway work requirements. Pricing for traffic control permitting and manpower efforts can be provided upon request.

Fees, Terms and Conditions

JDH Corrosion Consultants, Inc. will be pleased to provide the above-described corrosion engineering services for the following **Not-to-Exceed fees**:

See Attached Manpower Estimate for Proposed Fees.

- * Field testing is expected to require approximately three man-days with three testing personnel on site for one day, and an additional one man-day to prepare equipment and mobilize for work.

We thank you for the opportunity to provide you with this proposal, and we look forward to being of service for **San Benito County Water District**, on this important project. If you have any questions concerning this proposal, or if we can be of any additional assistance, please feel free to contact us at (925) 927-6630.

Respectfully submitted,

Sean Carey

**SAN BENITO COUNTY WATER DISTRICT
PROFESSIONAL SERVICES CONTRACT**

THIS AGREEMENT, made and entered into this ____ day of _____, 2026, by and between the San Benito County Water District, ("District,") and Coffman Engineers, Inc., ("Consultant").

1. Description of Project: District desires to undertake daily inspection and quality assurance of the work conducted concerning CIS Survey 2026 ("the project") and to engage Consultant to provide the required professional services relating to the project.

2. Scope of Services - Basic; Completion: Consultant shall perform those basic services in connection with the project as are set forth more particularly in EXHIBIT "A" entitled "2026 San Benito County Water District Hollister Conduit Close Interval Survey Fee Proposal – Rev. 1" and shall complete said services in accordance with the 90 calendar days identified for project completion in said Exhibit.

3. Scope of Services - Additional, Completion Schedule: It is understood by District and Consultant that it may be necessary, in connection with the project, for Consultant to perform or secure the performance of services other than those set forth in EXHIBIT "A". In each such instance, Consultant shall advise the District, in advance and in writing, of the need for such additional services, their cost and the estimated time required to perform them (if applicable). Consultant shall not proceed to perform any such required additional services until District has determined that such service is beyond the scope of the basic services to be provided, is required, and has given written authorization to perform or obtain it. Each additional service so authorized shall constitute an amendment to this Agreement, shall be identified and sequentially numbered as "Additional Consultant Service Order No. 1" and so forth, shall be subject to all of the provisions of this Agreement, and shall be attached as EXHIBIT "B" entitled "SCOPE OF CONSULTANT SERVICES - ADDITIONAL; COMPLETION SCHEDULE."

4. Changes to Scope of Work - Basic Services: District may at any time and, upon a minimum of ten (10) days' written notice, modify the scope of basic services to be provided under this Agreement. Consultant shall, upon receipt of said notice, determine the impact on both time and compensation of such change in scope and notify District in writing. Upon agreement between District and Consultant as to the extent of said impacts to time and compensation, an amendment to this Agreement shall be prepared describing such changes. Execution of the amendment by District and Consultant shall constitute the Consultant's notice to proceed with the changed scope.

5. Compensation: Consultant shall be compensated for services rendered to District pursuant to this Agreement periodically in the amounts, manner and in accordance with the Fee Schedule as set forth in EXHIBIT "A". Amounts due to Consultant from District for services rendered shall be evidenced by the submission to District by Consultant of an invoice, prepared in a form satisfactory to District, setting forth the amount of compensation due for

the period covered. Invoices, including the paid invoices of any subconsultants shall, at a minimum set forth the hours and hourly rates of each individual charged to the Project for the invoice period. Compensation shall not include the cost of executive, administrative and other personnel whose time is not directly identifiable to the Project. Each such invoice shall be forwarded to District so as to reach it on or before the fifteenth (15th) day of the month next following the month or months, or other applicable period, for which the services invoiced were provided. All such invoices shall be in full accordance with any and all applicable provisions of this Agreement. District will make payment on each such invoice within thirty (30) days of its receipt, provided however that if Consultant submits an invoice which is incorrect, incomplete, or not in accordance with the provisions of this Agreement, then District shall not be obligated to process any payment to Consultant until a correct and complying invoice has been submitted.

6. Responsibility of Consultant: By executing this Agreement, Consultant warrants to District that Consultant possesses, or will arrange to secure from others, all of the professional capabilities, experience, resources and facilities necessary to provide to District the services contemplated under this Agreement. Consultant further warrants that it will follow the degree of care and skill ordinarily exercised by members of the same profession practicing under similar circumstances at the same time and in the same geographic area for services rendered under this Agreement and that the Consultant shall, at no cost to the District, re-perform services which fail to satisfy the foregoing Standard of Care as determined by a court of competent jurisdiction or arbitrator.

7. Responsibility of District: To the extent appropriate to the project contemplated by this Agreement, District shall:

7.1 Assist Consultant by placing at its disposal all available information pertinent to the project, including previous reports and any other relevant data.

7.2 Guarantee access to and make all provision for Consultant to enter upon public and private property as required for Consultant to perform its services.

7.3 Examine all studies, reports, specifications, proposals and other documents prepared and presented by Consultant, and render verbally or in writing as may be appropriate, decisions pertaining thereto within a reasonable time so as not to delay the progress of the work by Consultant.

7.4 Designate in writing a person to act as District's representative with respect to work to be performed under this Agreement. Such person shall have complete authority to transmit instructions, receive information, interpret and define District's policies and decision with respect to materials, equipment, elements and systems pertinent to Consultant's services.

8. Indemnification: Consultant shall hold District, its officers, boards and commissions, and members thereof, its employees (collectively "District"), harmless of and free from the

negligent acts, errors and omissions of Consultant arising out of its performance of the services provided under this Agreement. Should District be named in any suit, or should any claim be made against District by suit or otherwise arising out of this Agreement, or Consultant's negligent acts, errors and omissions in its performance of the services provided for by this Agreement, Consultant shall defend and indemnify the District for any judgment rendered against District or by any sums paid out in settlement or otherwise, but only to the proportionate extent caused by the negligent act, error or omission in the rendering of services under this contract.

9. Insurance: During the term of this Agreement, Consultant shall maintain in full force and effect at its own cost and expense the following insurance coverage:

9.1 Workers' Compensation Insurance to cover its employees, and Consultant shall require all contractors and subcontractors similarly to provide Workers' Compensation Insurance as required by the Labor Code of the State of California for all of the subcontractors' employees. Each Workers' Compensation policy shall be endorsed with the provision that it will not be canceled or altered without first giving thirty (30) days prior notice to the District by certified or registered mail.

9.2 Public Liability Insurance including personal injury and property damage insurance for all activities of the Consultant and its contractors and subcontractors arising out of or in connection with this contract, written on a comprehensive general liability form including, but not limited to, Broad Form Property Damage, blanket contractual, products liability and completed operations, hazards, vehicle coverage and non-owned auto liability coverage in an amount not less than ONE MILLION DOLLARS (\$1,000,000) combined single limit personal injury and property damage for each occurrence.

9.3 Professional Liability Insurance Covering Errors and Omissions. The limits of coverage shall be no less than ONE MILLION DOLLARS (\$1,000,000). Deductibles or self-insured retentions shall be commercially reasonable and consistent with Consultant's insurance program. Consultant may not disclaim responsibility or avoid liability for the acts or omissions of its subcontractors or other professional consultants.

9.4 Certificates of Insurance and properly executed endorsements in a form acceptable to the District Counsel evidencing the coverage required by the clauses set forth above shall be filed with the District at the time of execution of this agreement. Additional insured requirements shall not apply to Professional Liability Insurance, Errors and Omissions coverage, or other claims-made policies. Each such policy shall be endorsed with the following language:

(1) The San Benito County Water District is named as additional insured for all liability arising out of the operations by or on behalf of the named insured, and this policy protects the additional insured, its officers, agents, and employees against liability for personal and bodily injuries, deaths or property damage or destruction arising in any respect, directly or indirectly, in the performance of the contract.

(2) The insurance provided is primary and no other insurance held or owned by the District shall be called upon to contribute to a loss.

(3) The inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured.

(4) The coverage provided by this policy shall not be canceled, non-renewed, or substantially reduced in amount or scope, without thirty (30) days prior to written notice given to the District by certified mail.

(5) All rights of subrogation are hereby waived against the District, its officers and employees when acting within the scope of their appointment or employment.

10. Confidentiality: All District information disclosed to Consultant during the course of performance of services under this Agreement shall be treated as confidential and shall use commercially reasonable efforts to protect such information. This obligation shall not apply to information required to be disclosed by law.

11. Conflict of Interest: Consultant warrants that neither Consultant, nor any of its employees, agents or subcontractors, have a conflict of interest with respect to the work to be performed under this Agreement, nor shall such individuals, during this term of this Agreement, acquire any interest which would conflict in any manner with the performances of services hereunder.

12. Nondiscrimination: During the performance of this Agreement, Consultant will not discriminate against any employee or applicant for employment because of race, religion, creed, color, national origin, sex or age. Consultant will take affirmative action to insure that applicants are employed, and that employees are treated during employment, without regard to their race, religion, creed, color, national origin, sex or age.

13. Independent Contractor: District and Consultant agree that the relationship between them created by this Agreement is that of an employer-independent contractor. Consultant shall be solely responsible for the conduct and control of the work performed under this Agreement. Consultant shall be free to render professional consulting services to others during the term of this Agreement, so long as such activities do not interfere with or diminish Consultant's ability to fulfill the obligations established herein to District.

14. Commencement of Services: Consultant shall proceed with the project upon execution of this Agreement by the parties.

15. Notice to Proceed; Progress; Completion: Upon execution of this Agreement by the parties, District shall give Consultant written notice to proceed with the work. Such

notice may authorize Consultant to render all of the services contemplated herein, or such portions or phases as may be mutually agreed upon. In the latter event, District shall, in its sole discretion, issue subsequent notices from time to time regarding further portions or phases of the work. Upon receipt of such notices, Consultant shall diligently proceed with the work authorized and complete it within the agreed time period.

16. Ownership of Documents: Title to all documents, drawings, specifications, and the like with respect to work performed under this Agreement shall vest with District at such time as District has compensated Consultant, as provided herein, for the services rendered by Consultant in connection with which they were prepared.

17. Designation of Key Personnel: The individuals specified in the attached EXHIBIT "A" shall provide the services set forth herein, and shall be the persons primarily in charge of such work. Prior to the provision of work by any other individuals on this project, such other individuals shall first be approved, in writing, by the District Manager or his designee.

18. Mistake of Fact: Each party understands that if any fact with respect to any matter covered by this Agreement is found hereafter to be other or different from the facts now believed by that party to be true, such party expressly accepts and assumes the risk of such possible differences in fact and agrees that this Agreement shall be in all respects effective and not subject to termination or rescission by reason of any such difference in facts.

19. Term; Termination: The term of this Agreement shall commence upon District's issuance to Consultant of a notice to proceed for all or a portion of the work, as herein above provided, and shall terminate upon District's acceptance and payment for all or such portion of the work as was authorized by such notice, including any and all retention. Notwithstanding the foregoing, District may, in its sole discretion, terminate this Agreement at any time and for any reason whatsoever by giving at least ten (10) days prior written notice of such termination to Consultant. In this latter event, Consultant shall be entitled to compensation for all services rendered and work performed for District to the date of such termination.

20. General Provisions:

20.1 Access to Records: Consultant shall maintain all books, records, documents, accounting ledgers, and similar materials relating to work performed for District under this Agreement on file for at least one (1) year following the date of final payment to Consultant by District. Any duly authorized representative(s) of District shall have access to such records for the purpose of inspection, audit and copying at reasonable times, during Consultant's usual and customary business hours. Consultant shall provide proper facilities to District's representative(s) for access and inspection. Consultant shall be entitled to reasonable compensation for time and expenses relate to such access and inspection activities, which shall be considered to be an additional service to the District, falling under

the provisions of SECTION 4 herein above.

20.2 Assignment: This Agreement is binding on the heirs, successors, and assigns of the parties hereto and shall not be assigned by either District or Consultant without the prior written consent of the other. Any attempt by Consultant to so assign this Agreement or any rights, duties or obligations arising hereunder shall be void and of no effect.

20.3 Compliance with Laws, Rules, Regulations: All services performed by Consultant pursuant to this Agreement shall be performed in full compliance with all applicable federal, state, and District laws, including any rules, standards or regulations promulgated thereunder.

20.4 Exhibits Incorporated: All Exhibits referred to in this Agreement and attached to it are hereby incorporated in it by this reference.

20.5 Integration; Amendment: This Agreement represents the entire understanding of District and Consultant as to those matters contained herein. No prior oral or written understanding shall be of any force or effect with respect to those matters covered in it. This Agreement may not be modified or altered except by amendment in writing sign by both parties.

20.6 Waiver/Validity: Consultant agrees that waiver by District of any one or more of the conditions of performance under this Agreement shall not be construed as waiver of any other condition of performance under this Agreement. The acceptance by the District of the performance of any work or services by Contractor shall not be deemed to be a waiver of any term or condition of this Agreement.

21. Jurisdiction: District and Consultant agree that the law governing this Agreement shall be that of the State of California. Any suit brought by either party against the other arising out of the performance of this Agreement shall be filed and maintained in the Municipal or Superior Court of the County of San Benito. If any part of this Agreement is found to be in conflict with applicable laws, such part shall be inoperative, null, and void insofar as it is in conflict with said laws, but the remainder of the Agreement shall continue to be in full force and effect.

22. Attorney's Fees: Each party shall bear its own attorney's fees and costs, except as otherwise required by law.

23. Notice: Any notices, required to be given pursuant to this Agreement, shall be deemed to have been given by their deposit, postage prepaid, in the United States Postal Service, addressed to the parties as follows:

- a. To District : San Benito County Water District
30 Mansfield Road
Hollister, CA 95023

b. To Consultant: Coffman Engineers, Inc.
751 Osterman Dr. Ste 104
Bozeman, MT 59715

Nothing hereinabove shall prevent either District or Consultant from personal deliver of any such notices to the other party.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement the day and year first above written.
